Week 7 Term 4

Principal’s Post

Goodness me! What a start we have had to this term.

In the first weeks of term we began mini themes again and the students have been studying Dinosaurs with Mrs Pearson.

In week 2 our newest class visitors arrived from Ginninderra Catchment. We will be following their progress this Term in a Tadpole Diary and we will be looking at conservation of our waterways.

During Week 3 we travelled for a wonderful excursion to Sydney. We followed Ruby’s research of famous places to go and see and our itinerary was full of sightseeing. Will and Ruby particularly enjoyed seeing the musical production “Matilda”.

Swimming. We began our swimming program with Jerangle Public students in week 2. It will continue on Fridays at the Cooma pool until almost the end of term.

Transition programs

Our Fridays at other schools have started for Ruby with her Excursion to Cooba in Week 2 and with Will beginning his visits to Jerangle in week 6.
Our garden

Our garden is mulched and weeded now and we will be planting some vegies next week for our spring/summer. Students have sprouted seeds and are excited to see them growing in readiness for transplanting to the garden. Community members and parents are most welcome to visit the garden and to contribute and share the produce at any time.

MSSN Student Activity Day

Thursday November 12th saw our students travel to Nimmitabel Public School for a combined small schools fun day. We joined with Bredbo, Adaminaby, Jerangle, Dalgety and Nimmitabel schools to learn more about the various Emergency Services that help us in our communities. We were fortunate to see displays from the Police, Fire Service and SES who shared important information that can keep our students safe.

New position

I have been offered a transfer from my school Berinba Public, in Yass, to Cooma Public. At this stage I will be starting there at the beginning of term 1, 2016.

P&C

Our next P&C meeting will be held on Tuesday 24th November 2015 at 6pm
