Firstly

A huge congratulations to our relay team for representing not only our school, Numeralla at the Rivers Carnival; our Small schools at the District of Monaro Carnival but also now all Small schools in our region of Illawarra/South Coast at the State Championships!

We wish you the very best in your efforts on the 26th March.

Garden

We had a wonderful lunch with Mrs Boucher assisting and teaching the students in their SAKA lunch on 20th February. As usual it was a wonderful experience for the students. Many thanks to Mrs Boucher and Mrs Pearson.

With the efforts of all students and Mrs Pearson, we now have some garden beds with seedlings in them and today we were placing the last of the seedlings in and mulching all the beds.

The chooks went to Dalgety Show last week for a treat and they are slowly working their way through the long grass in the orchard. No eggs have been laid yet but we will be watching out over the next few weeks to see if they start before the holidays. Many thanks to Ellanor, Olivia, Ruby, Gracyn and Jack for feeding them.
G.A Work in the school

Mrs Boucher continues to wage a quiet but determined war against the wombat who still likes under the library as a second home. Blood and Bone and bessa bricks have been placed in the hole entrance and this has had some success in stalling the excavations!

Mrs Boucher has also installed new mesh in the fly screen door and kept the gardens and lawns trim and neat. Many thanks 😊

$$Money$$

Students are saving up their ‘money’ from class jobs and good behaviours within and without class to spend on the last day of school in our Merits Shop. Some students have over $20 of Numeralla school money saved up already. Well Done!

Birthdays

Next Birthday is Will’s birthday on ANZAC Day.

P & C

The next P&C meeting will be held on Friday 27th March 2015 at 1.45pm.

Student of the Week.

In week 5 our student of the week was Olivia and this week our student of the Week is Ellanor. Both students received their awards for recognition of their good behaviour in the playground and their inclusive attitude toward others for the week.

Merit Award

In week 5 our Merit went to Gracye for her efforts in class and her wonderful work ethic. This week our Merit went to Keira for her efforts and progress in Mathematics.
Future Events.
We have some things marked down on the calendar that Jack and Ruby have put together for us. The most important item is that we have a Staff Development Day listed for Thursday 2nd of April. This will hopefully give parents the chance to travel before the holidays kick in and perhaps miss the worst of the traffic for Easter if you are going away anywhere.

The other items to note are:

- Mini Market Day at Michelago on Tuesday 31st March.
- And the P&C meeting on Friday the 27th of March at 1:45 pm.
- SAKG lunch for the students on Friday 20th March.

Library News

Premier’s Reading Challenge has now started.
Fiona is happy to answer any questions about books and give any assistance to support the students in this challenge.

Book Club is due back on the 17th of March.

We still have received only a few books to send away for the flooded school and for overseas students.

Cooma Netball Comp 2015
