Principal’s Post

In week 5 we had the rivers athletics carnival and all the students tried their best with many coming away with a number of ribbons. Well done!

Congratulations to those students who went on to the next carnival.

In week 6 we had the district athletics carnival. Again all our competitors tried their best. A special congratulations to Olivia for achieving a 2nd place and being selected to go onto the regional carnival in her 100m race.

Jack’s artworks mimicking Michael Salmon

This week we attended the author visit at Cooma Public school with Michael Salmon. He told us a little of his life and the reason why he wrote some of his books.

Merit Awards

In week 5 our Merit Award went to Will for his participation at Bredbo’s Craft Day and in Week 6 the Merit Award went to Keira for her efforts in PEG spelling.

National Simultaneous Story Time

On Wednesday 27th May we participated in NSS, along with over 2000 other schools, libraries and pre-schools all around Australia. The book this year was ‘The Brothers Quibble’ by Aaron Blabey. Instead of me reading it we had it read to us via ‘Storybox Library’ by the author himself which was very exciting. Afterwards we decorated crowns and did word search and colouring pages.

Book Sale

Last year a large number of old books were taken off the Library shelves to make way for new books and update the collections. This year we have decided to sell these books instead of having a Book Fair. They will be on sale in the Library from Wednesday 17th June to Friday 19th June (Week 9). The newest books, which are mostly doubles, will be priced at $1 each but the majority will be priced at 50c or 12 for $5. So, come and have a look and grab some ‘oldies but goodies’ in our Book Sale.

School Banking Account Opening

Numeralla Public School is excited to offer the Commonwealth Bank School Banking program to all students.

The School Banking program provides children with an opportunity to make deposits into their personal Commonwealth Bank Youthsaver account at school each week. The program is about how often your child makes deposits, not how much they deposit.

To encourage regular savings behaviour the program offers an exciting Rewards
Program. Every deposit earns your child a Dollarmites token, and once they've collected 10 tokens they can redeem them for a reward.

The rewards items available during 2015 are:

- ET DVD
- Planet Handball
- Invisible Ink Martian Pen
- Intergalactic Rocket
- Glow-in-the-Dark Solar System, released Term 3
- Cosmic Light Beam Torch, released Term 3
- Outer Space Savers Money Box, released Term 4
- Lunar Light Band, released Term 4

Remember to take in identification for you and your child (driver’s license and birth certificate). You will receive a Dollarmites wallet and deposit book that your child will use to participate in the program.

Our school receives $5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of $10 per individual deposit).

School Banking day is Friday. Each week you need to bring your bank book to school and give it to Julie Barron.

Get involved in the School Banking program.
